Class Descriptions:

STRONG by Zumba®: Plyometric or explosive moves like high knees, burpees, and jumping jacks are interchanged with isometric moves like lunges, squats, and kickboxing. STRONG by Zumba® instructors change up the music and moves frequently to make sure you're always challenged to the max.

Mixed Fit®: A people-inspired fitness program that is a mix of explosive dancing and boot camp toning. Everything about our dance fitness program can be described as explosive – all of our movements are always big, exaggerated, full-out, and our very best.

BUTI Yoga®: Fuses dynamic yoga asana with cardio-intensive dance and deep abdominal toning. All levels welcome.

Yoga: A Vinyasa class great for all levels. Expect to move with your breath and focus your attention; this well balanced flow class will get you out of your head and into your body and your breath; modifications always welcome.

Zumba®: A workout that combines dance and aerobic movements performed to energetic music. The choreography incorporates hip-hop, soca, samba, salsa, merengue and mambo.
